1. Annual berthing paid monthly by Direct Debit: An initial double payment is taken to cover your first and last payment for your final month in the marina – whenever that may be. Following your initial double payment 11 equal monthly payments are taken to cover your first year's annual contract. Your contract will auto-renew each year and 12 equal monthly payments will be taken. If you decide to leave, at end of your contract, your 'final' payment will be used instead of taking a payment in month 12.
